

Ajánlott korosztály: 1-14 év

Technical drawing of a rectangular building footprint. The overall dimensions are 7188 (~7500) in width and 3716 (~4000) in height. A red cylindrical structure is positioned on the left side. Key dimensions and offsets include:

- Horizontal offsets from the left edge: 2000, 2500, and 1188.
- Vertical offsets from the bottom edge: 1500, 716, and 1500.
- A diagonal line with a radius $d = 8500$ is shown.
- The total width is labeled as 7188 (~7500) and the total height as 3716 (~4000).
